

EUROPEAN PROJECT IDENTIFICATION FORM

EnSURE

Acronym	EnSURE
Project title	Energy Savings in Urban Quarters through Rehabilitation and New Ways of Energy Supply
Financing program	CENTRAL EUROPE
Priority	Environment
Area of Intervention	3.3. Supporting the Use of Renewable Energy Sources and Increasing Energy Efficiency
Duration	May 2010-July 2013
Project total budget	2.419.917,69 euro
EU Funding	1.902.577,70 euro
Comune di Faenza Budget	172.800 euro
EU Funding for Comune di Faenza	129.600 euro
Project aims and finality	<p>The main aim of EnSURE is to enhance the energy performance of urban structures by applying integrated approaches for an energy efficient urban development at district level.</p> <p>The project will thus provide practical guidelines and good practice for financing urban energy efficient rehabilitation as well as political recommendations for the needs and for the design of funding schemes. These objectives are accompanied by political activities to respond to current EU targets and policies with regard to energy efficiency in urban areas.</p>
