

EUROPEAN PROJECT IDENTIFICATION FORM

T.O.R.R.E.

Acronym	T.O.R.R.E.
Project title	Organized Tourism Recover Rural Ecology
Financing program	LIFE Environment
Priority	Environment
Intervention area	To develop and implement policies designed to ensure sustainable management of natural resources and wastes, and to improve the environmental performances of products, sustainable production and consumption patterns, waste prevention, recovery and recycling; to contribute to the effective implementation of the Thematic Strategy on the prevention and recycling of waste.
Duration	October 2001 – October 2004
Project total budget	582.752 euro
EU Funding	265.629 euro
Comune di Faenza Budget	162.000 euro
EU Funding for Comune di Faenza	76.466 euro
Project aims and finality	To favour the development of agritourism activities through the natural recovery of a disused pit with building materials. The project considered the creation of a natural park on the abandoned place where the extraction activity took place, in order to improve the tourist attractiveness of all the surrounding area and to favour this way the receptiveness services working in that area.
